Year 5 Football

Congratulations to the Year 5 girls who took part in the South Cambs Football Tournament last Friday in Cambourne. They finished 7th overall and really enjoyed their afternoon playing football. Well done girls!

Swimming

We really value the life long skill of swimming because of the huge physical, mental and social benefits that come with it. Our aim is to allow all children to be water confident and to swim 25m using a variety of different strokes by the end of their time with us. We have always swam from Years 3 to 6, with each year group attending lessons for half a term each. The school funds these sessions as swimming is part of the PE curriculum, and we ask for contributions towards the cost of the coach. However we are extremely short with these contributions across this academic year. As a school we cannot afford to pay for the shortfall in this. Therefore it is very unlikely that we will be able to offer swimming in the same way going forward from next year.

If you are yet to make your contribution towards the cost of travel from when your child had lessons this year, we kindly ask that you do so as soon as possible.

Safeguarding

If you would like some help or advice in taking care of your mental health as a parent you can find more information on the NSPCC website: [Mental health and parenting | NSPCC](https://www.nspcc.org.uk/mental-health-and-parenting/)

Packed Lunch Waste

As a reminder, we ask all children who have packed lunch to take their rubbish/left over lunch home with them. This will enable you to monitor what your child/children have eaten on a daily basis. It will also avoid our food waste being mixed with plastic/wrappers etc.

New waste legislation comes into force at the end of March which means we will need to be as compliant as possible with this and only food waste from our School Kitchen is permitted to be in the food waste bins.

Thank you for your support and co-operation.

Considerate Parking

We have received an email from Darwin Manor on Jeavons Lane to ask us to remind parents about considerate parking. They have noticed a lot of our parents/carers are parking at their Residential development and this is frequently needed for medical access. Please use alternative parking at The Hub, Church Car Park or Cricket Pavilion. Thank you.
