Dietary Needs

Caterlink have extensive experience in catering for pupils that have specific dietary needs, ranging from gluten free diets, lactose / dairy intolerance and even textured diets for those with special requirements. Caterlink are a nut-free caterer and none of our products will contain any trace of nuts.

Each Term we will hold special themed menus, competitions, educational facts about food and events to get the pupils involved with food. Also each month we will name a food hero, where there will be lots of special menus and displays featuring this fruit or vegetable to encourage healthy eating.
